Write a fully, developed essay on each of the following topics. If you do not know English or do not write in English easily, you may write the essays in your own language and have someone translate the essays into English. Include in this application both your original essay, <u>signed</u>, and the translation. Your signature is an indication that this essay is your own work, that you did not have someone else write the essay for you.

- 1. Tell the scholarship committee about yourself, your personal background. Write any part of your personal background that you think is important for us to get to know you.
- 2. Describe your educational background, academic interests, and academic accomplishments.
- 3. What are your academic and career/ professional dreams and goals? How will better English skills help you to achieve these goals? What are your specific plans for attaining these goals?
